

Transform Your Room With Lighting

Lighting is one of the first things people notice when they enter a space. It has the power to create the ideal environment for your special event. Spotlights, colorful up lighting, and gobos are beautiful ways to introduce lighting into your event space and transform it into a more captivating experience.

Regardless of the size or location of your event, our extensive range of lighting solutions feature something to suit every occasion including.

- | | |
|--|-------------------|
| Gobos – both branded and custom designed | Pin spot lighting |
| Stage washes | Moon balloons |
| Theatrical and LED lighting | Lightitude |
| High powered profile lighting | Up-lighting |
| | Outdoor lighting |

Your Encore representative will walk you through all the lighting options best-suited for your event.
